

# Legacy Path Society

Legacy Path Society members are a special group of individuals who have made a deferred gift to the Action Center and let us know about their gift. As a Legacy Path Society member, you receive certain benefits. This includes receiving your Newsletter with a special letter from the Executive Director, special recognition in our Annual Report and special correspondence from our Executive Director and Director of Development throughout the year.

Planned Giving is a unique category of gifts that allows donors to leave a lasting legacy at the Action Center for many years. There are many forms this type of gift may take. Most common is a bequest in your will. Other straightforward ways to leave a gift to the Action Center include designating the Action Center as a beneficiary from a life insurance policy and designating the Action Center as the POD (payee on death) from a bank account or IRA.

The best way to get started is to consult your tax advisor or an attorney that specializes in planned gifts. The bottom line is, there are many ways to make a lasting gift to the Action Center.
