

Life Insurance

Life insurance policies are frequently created to support your family in case of your untimely death. It may be to support a spouse or child's college fund. Often, however, the original purpose of an insurance policy comes obsolete.

A great way to renew its purpose is to make the Action Center the beneficiary!

You can also start a new life insurance policy just for the Action Center. For just a few dollars every month, you can help to insure long-term sustainability of the Action Center.
