

Senior Food Commodities

This program is a partnership between the Action Center and Food Bank of the Rockies who is the federal sponsor. Seniors can receive a special food box once a month through the Action Center. The Action Center is only a distribution site. This federal program provides a variety of food items including, but not limited to, cereal, dry milk, cheese, canned goods and juice.

Senior must register with the Action Center prior to participation

To qualify, a client must meet the income level requirements, be 60 years of age or older, a resident of Jefferson County and provide a photo ID. Please note that participants can only be registered at one distribution site.

1. You **must** bring your proof of address and ID **every time** to pick up your food box.
2. Food boxes **must** be picked up on the designated distribution date and time.
3. If you are unable to pick up your box, you may send someone in your place. That person must have a **signed note** from you and a **copy of your photo ID**.
4. If you miss more than three pick up dates in a row without contacting the Action Center, a box will no longer be reserved for you until you notify us.
5. Every six months, you **must** recertify to verify your eligibility. You will be notified when it is time for recertification. Please bring your ID, proof of address, and proof of income to recertify.
6. You may not **substitute** anything in the box for an item from the Action Center's food pantry. However, you may visit with a counselor to request food from the pantry, if you have not yet used all six of your annually allotted boxes.
