The Action Center is Awarded 2015 Non-Profit of the Year

The non-profit was awarded at the Colorado Women's Chamber of Commerce Annual Awards Luncheon

LAKESWOOD, CO – The Action Center was presented the Non-Profit of the Year award at the Colorado Women's Chamber of Commerce Annual Awards Luncheon on Wednesday, October 7th at the Hyatt Regency at Colorado Convention Center. Organizations and businesses were honored for creating a workplace that supports the highest level of personal and professional accomplishments for women employees.

The Action Center was nominated due to the considerable number of women who hold leadership roles at the organization. The Action Center encourages those in leadership positions to reach their full potential by enrolling them in the West Chamber of Commerce's Leadership Jefferson County program and by ensuring equitable compensation and opportunities for growth within the organization.

"The Action Center is thrilled to be acknowledged for its commitment to employing female leaders within the organization," stated Sally Reed, Director of Development, who accepted the award at the luncheon. "This award is a great source of pride for our non-profit, and we hope that other organizations will follow our footsteps in creating a strong female presence in leadership."
